The National Day of Prayer

The World Network of Prayer has designated Wednesday, October 23 as a National Day of Prayer for the United States. The WNOP is asking each church and minister to pray for the upcoming US presidential and congressional elections. Our prayer is that righteousness would prevail at the ballot box and in every level of government. Prayer guides are available at WNOP.org.

LifeSprings

LifeSprings Ventures, dedicated to unleashing apostolic entrepreneurs to advance the mission of the church, is hosting its [annual Summit](#) on Friday, October 25, at the Renaissance St. Louis. Entrepreneurs and investors from across the nation will gather to hear inspiring keynotes from industry leaders, receive updates on emerging and established ventures, and network with like-minded professionals.

Appreciation Sunday

Appreciation Sunday was launched in 2016. It has proven to be a growth initiative worth trying. It is a powerful evangelistic tool that connects the local church to its community. Appreciation Sunday raises the visibility and profile of the church. It allows the church to partner with community leaders in honoring those who serve their community with distinction. In 2025, we ask every church to join us in honoring veterans. For more information, visit the [Appreciation Sunday website](#).

Sincerely in Christ,
