30 Days of Prayer Campaign

Every credentialed minister and church member is invited to participate in the World Network of Prayer's annual 30 Days of Prayer campaign, which will be held January 2-31, 2025. The theme for the 2025 campaign is "CADENCE: Marching Orders." A military cadence is a call-and-response chant that keeps soldiers in unison while marching. These repetitive synchronized phrases help maintain pace and morale while fostering camaraderie and teamwork. Similarly, the 30 Days of Prayer Campaign is intended to promote unity and cooperation in the body of Christ. You can download campaign prayer guides at WorldNetworkofPrayer.com/30-days-of-prayer.

Streamlined Donations Now Available at Give.UPCI.org

We have redesigned the UPCI's giving website, Give.UPCI.org, to make the site easier to navigate and to streamline the giving process. You can now pay your missions pledge statements without logging into your account. Click on the "[Pay By Pledge Statement](#)" link in the upper righthand corner, enter your account number and monthly pledge statement number, along with your financial card or bank information, and submit the payment. You also can log in and make changes to your missions pledge accounts without waiting for a UPCI World Headquarters representative to process your information. In addition, you can make a one-time contribution to the church planter, missionary, or missions project of your choice.

NAYC Conversations

UPCI Youth Ministries released [NAYC CONVERSATIONS](#), a video resource designed to prepare youth workers and leaders for registration and planning for [North American Youth Congress 2025](#). It provides detailed guidance on housing, event registration, and

the planning that makes NAYC happen. We encourage you to watch [this video](#) before NAYC hotel registration opens on January 17, 2025.

Sincerely in Christ,

David K. Bernard
