The goal of printing an up-to-date Directory can only be obtained by working together. Requests for changes must be sent quickly to the UPCI World Headquarters and then properly updated in all areas.

In order to reduce mistakes, a form is hereby provided for the purpose of unifying the procedure.

Please fill out and mail the form immediately upon any change of address, name of church, change of pastors, or any other need which affects the Directory. Additional forms will be sent upon request.

Changes throughout the year are updated in the downloadable, digital version by **June 1**, and in the printed copy by **October 1**. These two deadlines allow us to make the newest copies available on schedule.

For your convenience and to expedite the entry of your information, you may choose to update via the web instead of mailing this form. To update your information, go to www.upciministers.com. This area is restricted to ministers and is not available to the general public.
